

Finding: Direct Mail has the highest campaign response rate at **53.02%**.

Implication: Direct Mail is generating substantially stronger customer engagement than the other channels.

Recommendation: Analyse the characteristics of Direct Mail campaigns and replicate successful tactics across lower-performing channels.

Finding:6 campaigns have marketing spend higher than their attributed revenue.

Implication: These campaigns are currently inefficient from a revenue-return perspective and may be consuming budget without sufficient payback.

Recommendation: Review targeting, conversion performance and campaign costs, and consider reallocating budget towards more efficient campaigns.
